Dear Parents, Learners and Purpose College Family,

What a vibrant start to Term 4! This term is filled with growth, celebration, and new beginnings, and we are so proud to share some exciting updates with you.

OUR CLASSROOMS ARE OPEN!!!!

We are thrilled to announce the completion of our new classroom block!

Built to create a more conducive and inspiring learning environment, our new classrooms are bright, spacious, and fully equipped to enhance our learners' academic journey. This expansion is a testament to our commitment to providing quality education in a space where every child feels valued and motivated to learn.

Thank you to everyone who has supported this project

SPRING DAY - A BURST OF COLOUR

Purpose College was in full bloom for Spring Day! Our learners and staff brought incredible energy and creativity, dressed in bright colours, flower crowns, and spring-themed outfits.

It was a day filled with laughter, photos, and a beautiful reminder of new beginnings. Thank you to all parents for your effort in making the day so special.

ALL THE BEST TO THE CLASS OF 2026 - MATRIC EXAMS HAVE BEGUN

A huge milestone for Purpose College! Our official exam centre is now fully operational, and our Matric learners started writing their final National Senior Certificate examinations on **14 October 2026**.

We are incredibly proud of the hard work, resilience, and dedication they have shown. The centre provides a quiet, secure, and professional environment for them to give their best.

Please join us in keeping our Matrics in your thoughts and prayers during this important time. You've got this, Class of 2026!

MATRIC DAY CELEBRATION

Before the books took over, we took a moment to celebrate our Matrics in style!

Our Matric Day was a truly memorable occasion. Our learners looked absolutely stunning as we celebrated their journey and their final year with us. It was a day of joy, pride, and beautiful memories that they will cherish forever.

To our Matrics: You have been exemplary leaders. We are proud of the young men and women you have become.
